

Dear Teachers,

Welcome back to school! Can you imagine how great it would be to have 20 new books in your classroom every month? Please take a few minutes to consider becoming a part of our School Friends of the Ledyard Public Libraries. The only time it will take on your part will be recruiting a few parents! They will pick up book bins for your class each month at either Bill or Gales Ferry Libraries. Please consider adding this classroom-helper position to your list for parent volunteers.

Don't forget:

1. Each classroom will have its own library card. Parents will **not** have to check the books out on their personal card.
2. There will be **no** fines for overdue books on your classroom card.
3. There will be **no** fees for lost books on your classroom card.
4. A list of books checked out will be in each bin.
5. If you can't get a parent volunteer, I would be happy to pull some books for your classroom if you can pick up and drop off the bin.

Hopefully this will encourage you to join the many other teachers in Ledyard and Gales Ferry schools who have found this program to be a fun and helpful resource!
