- **Whale, Would You Look At That?: Delilah is a life-sized inflatable North Atlantic right whale and she is swimming to Bill Library! Her measurements are based off of a real whale who lived along the East coast in the US and Canada, and she is coming all the way from Plymouth, Massachusetts. Four groups of 25 will be able to go inside the whale to hear her story. While you wait for you turn to visit Delilah the Mystic Seaport will be in the library and will be offering special whale learning activities and information. In addition to that, we're giving out bags full of crafts and other goodies, a listening booth to hear whales singing to each other, and we're raffling off a 43 inch suffed whale big plush pillow. You don't want to miss this special event that is made possible with help from the Janet Barnett Legacy Project and the Ledyard Congregational Church.**
- **Your Star Story: Astrology 101: Learn about the basics of astrology, how to read your natal chart, and the importance of your Big Six placements! Together, we'll craft our Star Stories, mad-libs style, learning about the characteristics of each Zodiac sign. Ages 11 - 18 and registration required.**
- **Inside Friends Petting Zoo with Xen's Critters: Xen's Critters is bringing some farm friends to pet and cuddle! Open top totes with bunnies, chickens, ducks, geese, and guinea pigs will fill our meeting room at Bill Library. Xen is an animal specialist and she will be there to answer your questions. A great way to welcome spring!**
- **Reading with Dune: Drop in at Bill Library to read and spend some time with Dune. Available to the first 12 families and each family will have 5 minutes with Dune. Dune is a therapy dog who frequently visits libraries and schools in the area. Dune's handler, Lauren Rugh, is a veterinary technician and she and Dune are Ledyard residents. For all ages!**
